

Photo to Thread Painting with Julie Garcia

Photo Selection Guidelines

What makes a good photo choice for this class?

- Horizontal or vertical orientation with sky showing
- Horizon in image somewhere above centreline is preferred
- Any time of day is fine, sunrise, sunset or blue sky!
- Look for a landscape photo that has distant background, midground and foreground.
- Landscape should have detail in the foreground like a tree, grasses, bush, flowers, etc.
- Water reflection is preferred but not necessary.
- No people, no buildings

Photo must be original size (guideline is 2MB or larger) and saved in .JPG format.

Email the file as an attachment to info@juliegarcia.com. If you prefer to not send a personal photo, no problem! Email Julie with this preference and she will provide a landscape picture of her own that you can use for the workshop.
